The Princess and the Frog is a film made by Disney and based on a story by the Grimm brothers.

The film is set in the 1920s in New Orleans (America). It tells the story of a prince who was turned into a frog by a bad man, a magician called Doctor Facilier. The frog prince mistakes a girl called Tiana for a princess and persuades her to kiss him to break the spell. Unfortunately, the kiss does not break the spell, but turns Tiana into a frog as well!!!

To break the spell and become humans again, Tiana and the prince go on a series of adventures to find the good voodoo queen Mama Odie who can help them. On the way they make friends with an alligator called Louis who plays the trumpet and a [Cajun firefly](#) called Ray! Of course it all ends happily ever after!
